- Activated Carbon
- KDF-55 (US Sourced)

100% Satisfaction Guaranteed!

Easy-to-follow installation instructions on back

www.OmicaOrganics.com • 800 613 6311

INSTRUCTIONS:

- 1) Unscrew your existing shower head from the wall fitting.
- 2) Apply teflon tape (provided) to wall fitting pipe threads (where your shower head was attached).
- 3) Remove red cap from filter and apply teflon tape to threads.
- 4) Attach the stainless steel connector of the shower filter to wall fitting (where your shower head was attached).
- 5) Without yet attaching your shower head, turn the water on to allow the water to rinse out any fine black particles of the filtration medium. Once water runs clear, turn water off.
- 6) Attach your shower head to the filter (where red cap was removed).
